CHAPTER – I

INTRODUCTION

During the Second Five - Year Plan it was felt by the Planners that democratic society like ours requires an active and intelligent participation of workers in the affairs of their trade unions and of the country for its speedy socio-economic development. A strong, free, responsible and democratic trade union movement would make significant contribution to the realization of better life for workers. Workers should be trained to play their role effectively for the attainment of socio-economic development of the country. It was envisaged that Workers Education could help in preparing the workers and their trade unions to play their role effectively in the task of nation building. It necessitated the Government of India in the year 1957 to secure an expert advice in formulating "Workers Education Scheme". As such the Government of India in collaboration with the Ford Foundation had appointed an International Team of Experts to suggest 'Workers Education Scheme'. The Team of Experts had submitted its report in March, 1957. The recommendations of the Team of Experts were endorsed by the Indian Labour Conference in its 15th session held in July, 1957. The Indian Labour Conference had recommended setting up of a semi-autonomous Board for administering the 'Workers Education Scheme'. Consequent upon the recommendation, the Central Board for Workers Education was established on 16th September, 1958 and was registered under the Societies Registration Act XXI of 1860. The Board is tripartite in character.

Organisational Set-up

The Board has its Headquarters at Nagpur. It operates through a network of 50 Regional Directorates and 9 Sub-Regional Directorates located in various parts of the country. There are six (6) Zonal Directorates at Delhi, Guwahati, Kolkata, Mumbai, Chennai and Bhopal to monitor and supervise the training activities of the Regional Directorates in their respective Zone.

The Board carries out its activities at three levels viz. National, Regional and Unit, and conducts various training programmes. The national level programmes are conducted by the Board's Apex Training Institute called Indian Institute of Workers Education (IIWE) established in 1970 at Mumbai.

The primary aim of establishing the Indian Institute of Workers Education is to enable the Board to conduct national level training programmes for achieving its objectives, to develop stronger and more responsible trade unions, to promote the growth of democratic process in trade union administration, to equip labour to take its place in a democratic society, to inculcate in them 'nation first' approach based on commonality of interests.

The Institute serves as an information centre and offers specialised training programmes for labour. It also serves as a clearing-house of information for Regional and Sub-Regional Directorates of the Board. It has a research wing for developing and perfecting methods and tools of teaching for workers. It also conducts in-house training programmes for the officials of the Board.

Board and Governing Body

The Board is headed by a part-time non-official Chairman, who is nominated by the Government of India. Presently Shri. K. Lakshma Reddy is the Chairman of the Board. The Director of the Board is Administrative Head of the Board. Ms. Namratta Tiwari was the Director of the Board during the year.

The Board comprises representatives of Central Organizations of Workers, Central Organizations of Employers, Central and State Governments and Educational Bodies. The affairs of the Board are managed by Governing Body elected from amongst the members of the Board.

At the Regional Directorate level, Regional Advisory Committees have been set up to review the progress of the scheme, to recommend measures for proper implementation of the programmes and generally to guide the work of Regional Directorates. The Regional Advisory Committees are also tripartite in nature.

Coverage

The training programmes of the Board cater to the training needs of the workers of organized, unorganized, rural and informal sectors. Supervisory and managerial cadres are also covered through Joint Education Programmes. During the year 2015-16, 12880 programmes for organized, unorganized, rural and informal sectors were organized for 4,67,755 workers. The figures include the programmes and workers trained by the trade unions under the Grants-in-aid scheme of the Board.

Evaluations

Evaluations of the programmes of Dattopant Thengadi National Board for Workers Education and Development (CBWE) have also been done from time to time since inception of the Board. Further the Board assesses its programmes internally by way of getting feedback from the workers as well as employees' and employers' organizations and accordingly the required changes are planned and implemented.

The impact of the Dattopant Thengadi National Board for Workers Education and Development (CBWE's) training programmes in unorganized/rural sector was so encouraging that **552 Self Help Groups** were formed during 2015-16 which helped in generation of self employment among the members of these Self Help Groups.

Thrust Areas

Looking to the vast magnitude of the workers of rural, unorganized and informal sectors, the Board's thrust was on educating Rural, Unorganized Workers in general and Tribal Labour, Construction worker, Child Labour and Women Workers in particular.

Special Component for North-East Region

The Dattopant Thengadi National Board for Workers Education and Development (CBWE) focusesspecial attention to the workers of North-East region for the development of the region. Besides regular training programmes, special programmes on topics such as HIV/AIDS, Human Rights, National Integrity,Panchayati Raj and Communal Harmony, etc. are also conducted for developing awareness among different categories of workers including tea garden workers.

A Zonal Directorate to monitor exclusively the workers education activities of the North-East Region has been established by the Board at Guwahati. Special Seminars for Trained Workers at Plant Level:

The workers who were trained long back are unaware about the latest developments that have taken place since the introduction of the New Economic and Industrial Policy of the Government of India.

In view of the changing scenario in the industrial field, it is imperative to keep the workers who were trained long back in the Unit Level Classes, in touch with the latest developments in the labour field to improve their functional efficiency.

The Board, therefore, started since 1997 one-day Special Seminar at Plant Level for those employees who have been trained before 1992 in the Unit Level Classes. During the year under report, **158** such programmes were organized for **4737** workers.

The Board has successfully conducted these programmes after identifying such establishments where Workers Participation Scheme is in operation and trained **1056** representatives of workers and managements at Plant Level.

TRAINING OF WORKERS IN UNORGANISED SECTOR:

The workers engaged in unorganized sector and small scale industries are worst exploited and are unaware about their rights and entitlements under the various laws. Since these workers are divided in small industrial units, their organizations have weak collective bargaining strength. With a view to develop awareness about their problems, difficulties and protective labour laws at work place and help them in finding solutions as well as equip them in developing their own organizations, the Dattopant Thengadi National Board for Workers Education and Development (CBWE) has been organizing four-days empowerment programmes for these workers since 1979. However, the role of the Board is mainly educational and motivational.

The workers of the unorganized and small scale sectors belong to the industries such as Handloom, Powerloom, Khadi and Rural Industries, Small Scale Industries, Industrial Estates, Handicrafts, Sericulture, Coir Industries, Beedi Industries, Glass, Brass and Slate making Industries and so on. The Board has also been conducting 2-day programmes for the workers in the unorganized sector so as to cover more number of workers as they may find it difficult to attend a four day duration programme.

During the year under report, the Board conducted **1481** programmes of 2/4 days duration in which **56205** workers participated and were trained. These programmes were conducted at Regional, Sub-Regional and Semi Urban Places by identifying the functional needs of the target group.

The category-wise breakup of the workers trained in these programmes is given at Table-V.

Programmes for Workers of Weaker Sections:

The Board conducts four-day empowerment programmes for workers belonging to weaker sections who are normally head-load workers, casual workers, civic and sanitation workers, construction workers, domestic servants, handicapped workers, rickshaw pullers and others with a view to enlighten them about their rights and obligations, importance of organization, avoidance of wasteful expenditure, schemes for betterment including welfare legislations, family budget, adoption of small family norms, combating social evils etc.

During 2015-16, the Board conducted **348** four(4)-days empowerment programmes for **13543** workers, in which the participants were educated . Each programme was formulated on the functional needs of the particular group after assessing its needs by the Education Officers. Date 14/03/2017

Dear Shri Wankhade

I have audited the annual accounts of the Central Board for Workers Education, Nagpur for the year 2015-16 and have issued the Audit Report on 14/03/2017. During the course of audit, the following deficiencies which have not been included in the Audit Report are brought to your notice for corrective and remedial action.

1. Schedule 7 Current Liabilities & Provisions includes an amount of Rs.3.24 lakh under undisbursed amount of Village Development Programme which is lying with the Board for more than six years. CBWE has not reviewed the reasons for its pendency and not taken appropriate action to disburse / refund the amount.

2. The funds amounting to Rs. 7.25 lakh received on account of MGNREGA reflected under Schedule - 3 Earmarked Funds were not utilized by the Board and kept idle since 2012-13. The Board has not taken any action either to utilize the funds or to refund the same till date.

3. GPF Income & Expenditure Account depicts expenditure on account of TDS deducted Rs. 17.76 lakh. CBWE is exempted from Income Tax, being a non-profit oriented Central Autonomous Body. Further, interest on GPF is exempted from Income Tax. Treatment of TDS as an expenditure has resulted in overstatement of expenditure by Rs. 17.76 lakh and CBWE has not claimed refund of the tax deducted during the current year as well as during the earlier years.

Best wishes

Yours sincerely,

We have audited the Balance Sheet of the Central Board for Workers Education (CBWE), Nagpur as on 31 March 2016, the Income & Expenditure Account and the Receipt & Payment Account for the year ended on that date under Section 20 (1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 and Rule 20(ii) of the Rules & Regulations of the Board. The audit has been entrusted for the period up to 2017-18. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

An audit includes examining, on a test basis, evidences supporting the amounts and disclosures in the financial statements. Comments on Accounts

A Balance Sheet

A.1 Liabilities

A.1.1 Earmarked/ Endowment Funds

(Schedule-3) Rs.2406.90 lakh.

Earmarked/Endowment Fund Schedule 3(A) reflects Rs. 141.78 lakh on account of HBA granted by Government of India as Revolving Fund for augmentation of house building. No disbursement has been made from this Fund for the last six years and the Fund is kept idle. The corresponding investments under this Fund are Rs. 35.56 lakh and Rs. 159.53 lakh as per Schedule 9 (Investments) and Schedule 11(Current Assets, Loans & Advances) respectively. Liabilities are thus understated by Rs.53.31 lakh on account of Earmarked Fund (HBA).

A.2 Assets

A.2.1 Current Assets, Loans and Advances

(Schedule 11): Rs 3358.30 lakh,

Schedule I to Balance Sheet depicts an amount of Rs. 4.91 lakh under Conveyance and Computer Advance. As the above amount is recoverable/adjustable from the employees, the same should have been reflected under Current Assets - Schedule-11 too. Current Assets however reflects

only Rs.98,911/- under this head which resulted in understatement of Current Assets by Rs. 3.92 lakh.

B. Income and Expenditure Account

B.1 Income

Understatement of Income Rs.119.78 lakh

Income from Grants/Subsidies (Schedule 13)

Income & Expenditure Account reflects Rs. 5397.00 lakh and Rs. 1009.87 lakh under Non-Plan & Plan grants respectively and Rs. 10.00 lakh as received from ONGC (total Rs. 6416.87 lakh). Thus the Board has recognized only Plan grants amounting to Rs.1009.87 lakh during the year as against 1129.65 lakh received. This has resulted into understatement of income of Rs. 119.78 lakh and corresponding understatement of Corpus.

C. General

1. 'Liability for GPF Advance Disbursement' (Rs.2.99 lakh) reflected under Schedule – 7 to Balance Sheet) represents money remitted to various Regional Directorates for disbursement of GPF Advance, but not disbursed. This amount is continued to be depicted as a liability since 2012-13 and CBWE has not done the reconciliation of the same.

2. As per Uniform Format of Accounts for Autonomous Bodies Plan Grants received for specified/earmarked purpose , its utilization and the net balance at the year end is required to be reflected under Schedule 3 (Earmarked/ Endowment Funds) to the Balance Sheet. CBWE has received Plan Grants amounting to Rs. 1129.65 lakh for specified purposes from G.o.I and Rs. 10.00 lakh from ONGC during the year; however an amount of Rs. 164.45 lakh is reflected as grant received in Schedule 3(B) under Grant-in-aid. In order to have clarity and transparency in Accounts the Board is required to compile the accounts in the prescribed format. The Board has not reconciled the differences.
3. As per Accounting Standard 15 of ICAI, provision for liability payable towards retirement benefits viz. Pension, Gratuity and Leave encashment is required to be made on actuarial basis and provided up to year end. The Board however, has not made any provision for the same.
4. The expenditure incurred in respect of Plan Grant of Rs. 100.50 lakh received exclusively for the implementation of workers education scheme in the North East Region of India as per Schedule 21 to the Income & Expenditure Account was Rs. 97.18 lakh.

However as per Utilization Certificate expenditure on this account was Rs. 134.94 lakh. Figures as per Accounts do not tally with the Utilisation Certificates and the difference remain unreconciled.

5. The financial statements of CBWE has been prepared from the statements of receipts and expenditure received from various Regional Centers and clubbing them with that of the Nagpur Head Office. No double entry system of accounting is being done in the Regional or Zonal centers and therefore no separate financial statements are prepared there. However, the fact has not been disclosed in the notes to accounts.

6. The Board has not made the provision for unspent grant in current liabilities and Provisions. This resulted in understatement of current liabilities and Corpus by Rs. 0.77 Crore.

7. The Board has not reviewed the EMD received from various clients and not claimed by them, for more than three years which amounts to Rs. 28.28 lakh and not taken any action in respect of the pending deposits.

D. Grants-in-aid

Out of the Grants-in-aid of Rs.70.26 crore (Plan Grants of 16.23 crore + Non Plan Grants Rs. 53.97 Crore) received during the year including unspent plan grants of previous year of Rs. 4.99 crores, the Board utilized the whole non-plan grant and incurred excess non-plan expenditure of Rs. 3.81 Crore.

The Board utilized plan grants of Rs. 15.47 crore during the year leaving unspent balance of Rs. 0.77 Crore as on 31 March 2016.

These figures however do not tally with the Annual Accounts viz. Schedule 13 Grant received, Balance Sheet Current Liability (unspent balance of grants) and therefore the same needs to be reconciled.

E. Management letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Board through a management letter, issued separately for remedial/corrective action.

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, the Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the books of accounts.
- vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements,

read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report gives a true and fair view in conformity with accounting principles generally accepted in India :

(a) In so far as it relates to the Balance Sheet, of the state of affairs of the Central Board for Workers Education, Nagpur as at 31 March 2016, and

(b) In so far as it relates to the Income & Expenditure Account, of the surplus for the year ended on that date.

<p>C. General</p> <ol style="list-style-type: none"> ‘Liability for GPF Advance Disbursement’ (Rs. 2099 lakh) reflected under Schedule – 7 to Balance Sheet) represents money remitted to various Regional Directorates for disbursement of GPF Advance, but not disbursed. This amount is continued to be depicted as a liability since 2012-13 and CBWE has not done the reconciliation of the same. As per Uniform format of Accounts for Autonomous Bodies Plan Grants received for specified/earmarked purpose, its utilization and the net balance at the year end is required to be reflected under Schedule 3 (Earmarked/Endowment Funds) to the Balance Sheet. CBWE has received Plan Grants amounting to Rs. 1129.65 lakh for specified purposes from G.o.I and Rs. 10.00 lakh from ONGC during the year; however an amount of Rs. 164.45 lakh is reflected as grant received in Schedule 3(B) 	<p>To verify the liability data for many years is to be reconciled. Therefore noted for compliance while preparing accounts for 2016-17.</p> <p>As per practice in earlier year the opening balance of unspent Grant added with unspent Grant for current year and after deduction of unspent Grants for previous year retained by Ministry the net balance of unspent Grants-in-aid shown on liability side in schedule 3(B). Kindly refer the reply of para - B <u>understatement of Income Rs. 119.78 lakhs</u> which shows unspent amount of Rs. 164.44 lakh</p>																					

<p>under Grant-in-aid. In order to have clarity and transparency in Accounts the Board is required to compile the accounts in the prescribed format. The Board has not reconciled the differences.</p>	<p>The unspent grants of Rs. 164.44 lakhs is to be utilized over a period of years therefore added to Opening Balance of Grant under Earmarked Endowment Fund. Therefore difference is reconciled.</p>
<p>3. As per Accounting Standard 15 of ICAI, provision for liability payable towards retirement benefits viz Pension, Gratuity and Leave encashment is required to be made on actuarial basis and provided up to year end. The Board however, has not made any provision for the same.</p>	<p>The Board is fully depends on Grants-in-Aid from Ministry for these Non-plan expenses. The Grants under Non-plan is not sufficient to make such provisions. Also for making such provision the Board needs to demand an additional Grants to the Ministry which will be additional financial burdon on Govt. of India. Therefore para may please be dropped.</p>
<p>4. The expenditure incurred in respect of plan Grant of Rs. 100.50 lakh received exclusively for the implementation of Workers Education Scheme in the North East Region of India as per Schedule 21 to the Income & Expenditure Account was Rs. 97.18 lakh. However as per Utilization Certificate expenditure on this account was Rs. 134.94 lakh. Figure as per Accounts do no tally with the Utilization Certificates and the difference remain unreconciled.</p>	<p>Apart from special programme for NE Region other regular programme are being conducted in North East Region. The copy of receipt and payment ledger showing expenditure in NE Region is enclosed as Annexure- X. This statement clearly shows expenditure of Rs. 134.94 lakhs after excluding expenditure on SC SP and TSP component. However, from 2016-17 onwards instead of programme-wise object Head wise/Component-wise expenditure statement will be prepared for schedule-21 . The previous year figure will also be re-arranged. Therefore para may be dropped.</p>
<p>5.The financial statements of CBWE has been prepared from the statements of receipts and expenditure received from various Regional Centres and clubbing them with that of the Nagpur Head Office. No double entry system of accounting is being done in the Regional or Zonal Centres and therefore no separate financial statements are prepared there. However, the fact has not been disclosed in the notes to accounts.</p>	<p>In order to prepare A/c in double entry system there is requirement of one qualified Accountant in all Regional Centres where as in some regional Offices LDC, Steno, are working as Cashier and maintaining the Cash Book and preparing Compiled Account in single entry system and that too only monthly Receipt & Payment. The Regional Directorates working as DDO are Education Cadre Officers and not aware with double entry Accounting concept. However, the observation of Audit noted for compliance and fact will be disclosed in the notes to account from 2016-17 onwards.</p>

<p>6. The Board has not made the provision for unspent grant in current liabilities and provisions. This resulted in understatement of current liabilities and Corpus by Rs. 0.77 Crore.</p> <p>7. The Board has not reviewed the EMD received from various clients and not claimed by them, for more than three years which amounts to Rs. 28.28 lakh and not taken any action in respect of the pending deposits.</p>	<p>The unspent Grants of Rs. 164.44 lakhs will be utilized over a period of years therefore shown to Earmarked Endowment fund side instead of current liabilities. Annexure

1.	Adequacy of Internal audit System The Internal Audit is inadequate and is not commensurate with the size and nature of the Board. The Central Board for Workers Education (CBWE) has its headquarters at Nagpur and has 50 Regional Offices and 6 Zonal Offices, however, internal audit of most of the units have not been conducted. No internal audit was conducted in Regional Office, Kanpur since 2005, in Bareilly since 2013 and in Gorakhpur since 2006	Observations of the Audit will be brought to the notice of Ministry with a proposal to create Internal Audit wing in Board.
2	Adequacy of Internal Control System The overall internal control system is weak and not commensurate with the size and nature of the organization in the absence of a consistent procedure for physical verification of assets. There were error in pay fixations done and recoveries to the tune of Rs. 20.65 lakh were made during the year on this account. Moreover, there is no separate, approved Accounting Manual with codified account heads for standardized recording of its transaction.	This Internal Control System will be strengthened if Internal Audit wing in CBWE gets established with the approval of Ministry.
3.	Physical verification of fixed assets Physical verification of assets has not been conducted for the year 2015-16 and Asset Register was not maintained by the Board.	The requirement is noted for compliance in future.

4	System of physical verification of inventory. Board does not maintain any inventory.	-
5	Regularity in payment of statutory dues The Board is regular in payment of statutory dues.	

Management Letter – Deficiencies noticed in accounting records/systems internal control, etc.

Sr.No.	Points in Management letter	Replies
	1. Schedule 7 Current Liabilities & Provisions includes an amount of Rs. 3.24 lakh under undisbursed amount of Village Development Programme which is lying with the Board for more than six years. CBWE has not reviewed the reasons for its pendency and not taken appropriate action to disburse/ refund the amount.	Rs. 3.24 lakh is unclaimed and undisbursed amount of village development programme and will be treated as Misc. Receipt. Noted for compliance.
	2. The funds amounting to Rs. 7.25 lakh received on account of MGNREGA reflected under Schedule-3 Earmarked Funds were not utilized by the Board and kept idle since 2012-13. The Board has not taken any action either to utilize the funds or to refund the same till date.	Rs. 7.25 lakh will be treated as Misc. Receipt. Noted for compliance.
	3. GPF Income and Expenditure Account' depicts expenditure on account of TDS deduced Rs. 17.76 lakh. CBWE is exempted from Income Tax, being a non-profit oriented Central Autonomous Body. Further, interest on GPF is exempted from Income Tax. Treatment of TDS as an expenditure has resulted in overstatement of expenditure by Rs. 17.76 lakh and CBWE has not claimed refund of the tax deducted during the current year as well as during the earlier years.	The matter is under process with Income Tax Department.
